You will then have a choice to either instruct your proxy a certain way by checking the box and then selecting the Direct your Vote button OR you may choose to go with the direction of the nominated person by clicking straight on the Submit Proxy button.

## Voting (eligible voting members only)

The voting starts when the meeting Chair opens the poll unless otherwise stated.
From your screen, you can see the resolutions and voting choices set.

Click on the vote tab.
Select your option by clicking on your response to cast your vote for each question.
You can change your vote at any time (*while the voting period is open*) by clicking "Change".
Your vote is logged once the tab turns GREEN. You do not need to do anything further; your vote has been counted.
